

## Soaring Eagle Nature School Scholarship Application

Soaring Eagle Nature School is committed to being accessible regardless of financial income through our Scholarship Fund so that no one is turned away from a program.

Scholarships are awarded on a first come, first served basis so we recommend applying early. With that said, we ask that registration for your program of choice is completed before submitting an application for a scholarship.

During registration, select the payment plan option in order to pay the deposit only. If the scholarship is awarded, the charges will be decreased to reflect the new program fee. If the scholarship can not be awarded, the registration will be cancelled. If you are unable to pay the deposit at registration please contact [info@soaringeaglenatureschool.org](mailto:info@soaringeaglenatureschool.org) or call 778-990-SENS (7367).

Previous scholarships awards have been in the amount of:

### Year-long Programs

Monthly Forest Program            25%-50% of program cost

Weekly Forest Program            up to \$700

Young Sprouts Forest Program up to \$500

### Seasonal Programs
